## Membership Form ASSOCIATE MEMBER

Quilt Trade Association (QTA), a non-profit trade association, is funded solely by membership dues and sponsorships. Now in our inaugural year of 2010, QTA has some ambitious goals for the future. In 2010, QTA will serve their membership through virtual on-line educational sessions, quilt shop owner retreats and the Industry Collaboration Central. Visit www.QuiltTradeAssociation.org for more information.

QTA's membership includes two categories: 1. **Retail Members** (independent quilt shops) and 2. **Associate Members** (suppliers of quilt-related goods and services). See the listing of businesses below that qualify for **Associate Membership**. This form is specific to those applying for membership as an **Associate Member**. A different form is available to apply to be Retail Member.

QTA launched in February, 2010 and our fast-track membership drive to-date has resulted in a substantial number of quilt shop owners and suppliers who are now QTA members. Interest in QTA is overwhelming! Please note that since QTA is a **non-profit**, member-driven organization, all dues income, including sponsorships, received by QTA are invested into supporting our members. The programs and services we deliver are determined by QTA members and prioritized by the QTA Board of Directors.

Your Membership will go a long way to increasing the number and type of member services that QTA can deliver. It will also be used to help defray the operating costs in 2010 for administrative items required that include corporation set-up fees and office technology and supplies required to provide membership services.
